

On Line Ordering

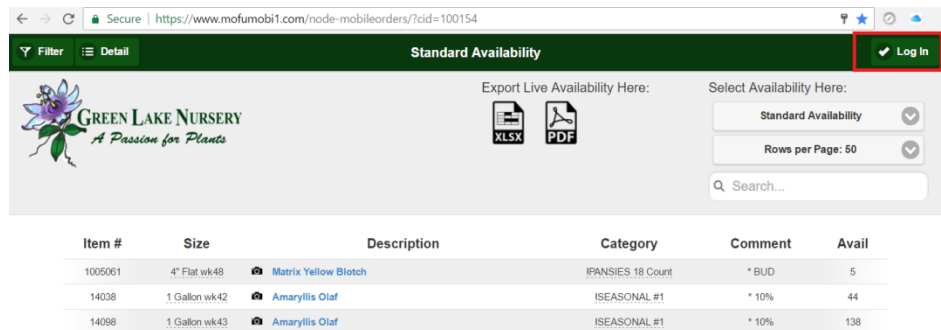

We are pleased to introduce our new website with Live Inventory and Online Ordering.

The Live Inventory can be reached from the Live Inventory button on the home page or from the Header Menu under Availability.

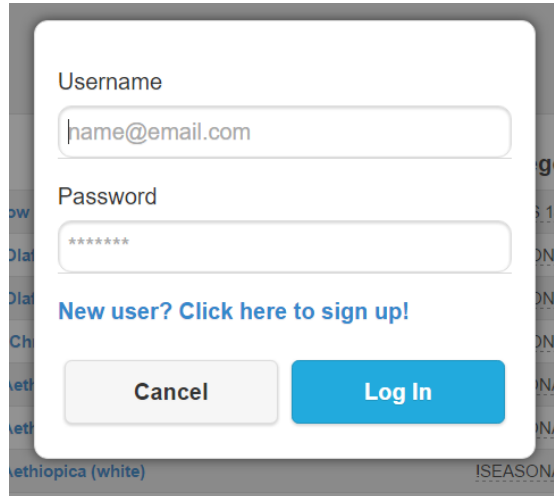

Once at the Live Inventory Website you can Log In at the upper right corner of the page.

On Line Ordering

You will be asked for your Username and password. If you are an existing customer and already have a login and password from our old website, you will be able to log in with the same credentials. If you are new or do not have a username/password, follow the onscreen instructions.

A screenshot of a login form. It has two input fields: 'Username' with the text 'name@email.com' and 'Password' with masked characters '*****'. Below the password field is a blue link that says 'New user? Click here to sign up!'. At the bottom are two buttons: a grey 'Cancel' button and a blue 'Log In' button.

New Users fill in your info and submit. You will be set up during business hours and emailed when you are able to access pricing and online order capability. If you are an existing customer, already in our system, tick off the “I am an existing customer” box. The shipping and billing info will not have to be entered.

A screenshot of a 'New User Signup' form. It contains several input fields: 'Company Name', 'Contact Name', 'Phone Number', 'Fax Number', 'Email Address', 'Password', and 'Confirm Password'. There is a checkbox labeled 'I am an existing customer:'. Below this, there are two columns of fields for 'Bill-to Address' and 'Ship-to Address'. The 'Ship-to Address' section has a 'Same as Bill-to' checkbox. At the bottom are 'Cancel' and 'Okay' buttons.

On Line Ordering

Once you are logged in, if you have multiple ship to locations, you will be asked to choose the appropriate ship-to customer for this order.

You can now see your pricing and can start the ordering process.

You can choose between a Detail view (pictures and plant description) or a Grid View by toggling the Detail/Grid button in the top left corner of your screen.

Matrix Yellow Blotch

!PANSIES 18 Count

Pansies are the most popular bedding plant for winter color. We offer a wide assortment of colors and mixes, as well as trailing varieties.

From the Detail view you can also narrow your search to include any criteria with a dashed-line under it by simply clicking the word. The example below uses the Flower Color: White

Gerbera 'Bengal White'

ANNUALS #1

Very showy daisy blooms borne on tall willowy stalks held high above large lettuce-like leaves. This plant makes a great cut flower.

Item #	Size	Price	Avail	Qty
14132	1 Gallon wk46	\$ 3.50	495	<div>0</div>

Osteospermum Flower Comp. White

ANNUALS #1

This lovely South Africa native produces bright daisy-like flowers. Perfect for cool season color pots. It can go through the summer, but will need more shade as the summer gets hot. It needs well-drained soil.

Item #	Size	Price	Avail	Qty
13662	1 Gallon wk44	\$ 3.50	494	<div>0</div>

On Line Ordering

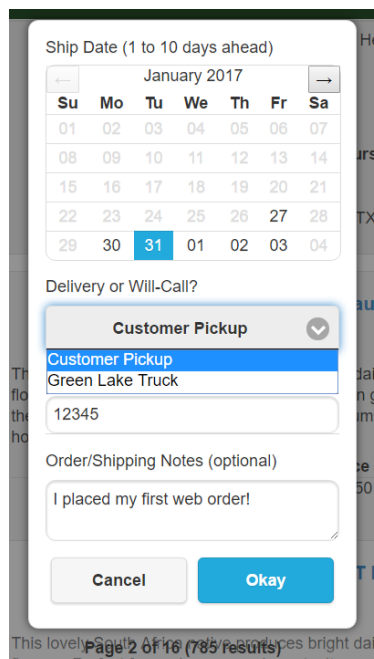

To clear the search criteria click on the filter button (top left). Clear All or only selected.

Once you've filled in the desired quantities, you can now Review Order from the button in the Top right of your screen.

You will choose a ship date (1 to 10 days ahead). Under “Delivery or Will Call?” tell us whether this is a Customer Pickup or you would like it to be delivered to you by Green Lake Truck. Supply the PO if required and add any necessary Order/Shipping Notes. Then hit the okay button.

On Line Ordering

Look over your order details and either Submit your order or Edit Order.
